

# PROMISES OF OUR LORD TO THOSE WHO DO NOT RECEIVE COMMUNION IN HAND.

1. To those who refrain from receiving My Body, Blood, Soul and Divinity with their hands, I Promise to fill them with greater blessings on their hands, heart, soul and their whole essence.
2. I will grant them lot of Graces during their pilgrimage on Earth which will result in greater guarantee of salvation and the increase of essential and accidental glory through their eternal living which will be shared with Me in the Celestial Dwellings.
3. They will feel My Presence in their whole being when taking Communion, so strongly, to the extent that they will lose their natural wish for touching it.
4. To those who persevere in this Holy Act, they will receive My greater graces and important benefits for their homes.
5. My Promise to those who diligently carry out My wish, special powers in their hands to go against the enemies of the soul and to many, I will give healing powers.
6. I promise that, if they proceed in perseverance in this Holy Act, they will achieve everything with bigger intensity to seek only that which is for My greater Honour and Glory. I will eulogize them for eternity.
7. To those who for the love of Me strive to carry out all My intentions, the grace to refrain from receiving Me in their hands, greater worship, humility and holy respect, and the gift of discernment with bigger intensity.
8. If they, should continue to give Me greater pleasure by properly taking the Communion in their tongue and not in the hands, I promise that their names will be especially written in My Heart.
9. I promise as well that I will increase all their virtues as a reward to that greater humility that a person would never recognize their own hands to be clean to touch Me. Furthermore, I promise that they will faithfully spread My doctrine and that they will

**WHAT LUCIFER SATAN SAID:-** "I want to conquer the earth for myself. In the meantime, I make a rich booty. I am filling up my kingdom. I take whatever I can take, I must convince you of this".

"The majority have abandoned JESUS. How foolish they are ! Those still faithful are a small flock" they receive holy communion on knees and on there tongue ,Majority receive holy communion standing they don't really receive him, the angel takes away what they receive as is just merely a bread without effect . that is why "I took Judas with me! He is always at my service. He is damned. He could have saved himself, but he did not follow JESUS. ". foolish catholics who leave mass without the final blessings they only imitate judas Iscariot who later betrayed him judas left Jesus and last supper after Satan entered his soul

"The enemies of the Church belong to us"."OH, if you had an idea of how things stand below! The visionary children of Fatima have seen it. If you had an idea..... you would be on your knees day and night at the tabernacle. I had to say it because the High Lady compels me to". The 'High Lady' refers to Our Lady.

Fr Renz asks Lucifer - "You are responsible for heresies, eg those of Kung!". Lucifer replies - " Yes and we have still more". Lucifer said - "The priests should say that I exist. Or else they will all go down!"

**WHAT JUDAS ISCARIOT SAID:-** "I am damned for eternity! You careless people, if you could just imagine what it is to be damned for eternity! I am damned!

"If people knew what was in store for them by not going to church! It will fair them extremely bad". "These modernists are the result of my work and they already belong to me". "The religious in monasteries watch TV and don't pray enough, do not kneel down and they extend their paws (ie, receive Holy Communion in the hand).

**What Cain said:-**"I have killed my brother. I am burning"

**What Hitler said:-** "Men are so beastly stupid! They believe that after death all is finished. But life goes on, either up or down"

**WHAT FATHER FLEISCHMANN SAID:-**"I was a priest at Ettlleben. I am damned. It is horrible down there. Judas pulled me down there". " I am damned because I fulfilled my duties very badly" "I have killed 1 person and I had women". "I prayed too little. I was always in a hurry to finish my sacred duties. Now, I am down there languishing for eternity". No priests should marry". "If the bishops did not permit communion in the hand, this

*Communion in the hand has not been and will not be accepted by Heaven.*

would not have happened" (this refers to consecrated hosts being sold).

What Nero said:—"You should follow the message of Fatima!"

"The rosary should be recited, or else it is the end!"

"The modernists are killing the Church.

**SATAN SAYS** "This is the month of the rosary but very few recite it, because the parish priests think it's modern. They lack wisdom! If they knew its importance! It is a strong weapon against us." If they knew how powerful it is against us we demons by now we would be been finished but we are happy they don't talk about it.

"Catholics have the true doctrine and they should not run after the Protestants!" "There in the synods, they continue to deliberate. The bishops already know what they should do. There would be no need of synods if they followed the Pope. Those priests who let the host to be given in hands break canon law 1462 they don't believe Jesus is mighty God and they treaty him like mere bread in the restaurant "The doctrine is falsified in the Church!"

Priest should never marry "Many do not go to church any longer. No one kneels down to the Blessed Sacrament. And the Church is not doing well since the time it was founded. The churches are so modern! The Jesus and His Mother are now attacked !"

### **"PEOPLE SHOULD GO TO CONFESSION".**

Satan and Judas Iscariot says, "The giving of Communion in the hand was our work". And the church have fallen in our trap that is going to lead them to be with us because Eternal Father is angry and the blessed virgin Mary is bleeding tears of blood, Lucifer continue to say Jesus is being cruised again in the churches and we in hell we are very very happy because every communion in the hand we rejoice cause we know that if that soul it dies in that state will be damned and it will belong to us

"Holy water should come back to houses! Also, the crucifix should return to its place in the home". "The Holy Face should be venerated! "The Divine Mercy image should be propagated". "It is very important to pray to St Joseph. Rather it is most important!". "If the message of Fatima is not given due importance and Humanae Vitae, document on human life by His Holiness pope John the VI a new punishment will come". "It won't last much longer. The chastisement is coming".

"Guardian angels are day and night near you, behind you. Today people do not believe in guardian angels. Therefore they are not away of spiritual and physical dangers they face in everyday life.

*Communion in the hand has not been and will not be accepted by Heaven.*

Satan and Judas Iscariot said, "People standing during Holy Communion pleases us more, than when kneeling, we do everything possible that no one be on his knees." In 1975, Judas also said, "We are very happy with the new reforms.

"The films are bad and TV not better" . My spiritual father - Saint Padre Pio - used to be quite blunt with people. One example is when people would come up to him and say they didn't believe in Hell nor the devil. He would scowl at them and say, "You soon will when you get there!"

**If you are a lapsed Catholic** - I hope you realize that missing Mass on Sunday (or Saturday night) without a serious reason is a mortal sin.

## **PROMISES OF OUR LORD TO THOSE WHO DO NOT RECEIVE COMMUNION IN HAND. (AS RECEIVED FROM A PRIVILEGED SOUL).**

**PRELIMINARY NOTE:** At all times, we submit to the judgement and report of our Holy Mother the Catholic Church, in accordance with the degree of Urbano V111, the Pope. ( I myself, Angelica, have read this document which I took from Marques de Vadillo's Church (Madrid). It's about the Words of our Lord told to Guliana Grescio. In the book "The Word Volume 111", It is said that Jesus says to this woman that He doesn't want to be received in our hands, because He is the nourishment for our souls , not for our bodies. Furthermore, our hands are not consecrated, we are not worthy of touching Him, only priests can do that..

**WARNING:** This should be perfectly understood that promises will be invalidated to anyone who takes Communion in mortal sin, since nobody laughs at God. In the same way anyone chewing or crushing with the teeth the Host on purpose will commit a crime.

## **PROMISES OF OUR LORD JESUS CHRIST**

1. To those who refrain from receiving My Body, Blood, Soul and Divinity with their hands, I Promise to fill them with greater blessings on their hands, heart, soul and their whole essence.
2. I will grant them lot of Graces during their pilgrimage on Earth which will result in greater guarantee of salvation and the increase of essential and accidental glory through their eternal living which will

be shared with Me in the Celestial Dwellings.

3. They will feel My Presence in their whole being when taking Communion, so strongly, to the extent that they will lose their natural wish for touching it.
4. To those who persevere in this Holy Act, they will receive My greater graces and important benefits for their homes.
5. My Promise to those who diligently carry out My wish, special powers in their hands to go against the enemies of the soul and to many, I will give healing powers.
6. I promise that, if they proceed in perseverance in this Holy Act, they will achieve everything with bigger intensity to seek only that which is for My greater Honour and Glory. I will eulogize them for eternity.
7. To those who for the love of Me strive to carry out all My intentions, the grace to refrain from receiving Me in their hands, greater worship, humility and holy respect, and the gift of discernment with bigger intensity.
8. If they, should continue to give Me greater pleasure by properly taking the Communion in their tongue and not in the hands, I promise that their names will be especially written in My Heart.
9. I promise as well that I will increase all their virtues as a reward to that greater humility that a person would never recognize their own hands to be clean to touch Me.
10. Furthermore, I promise that they will faithfully spread My doctrine and that they will overcome all kind of temptations easily.
11. Those who may receive Me in their tongue and not in the hands, will never separate their souls from Me, as long as they persevere in proper reverence and live this way every single day of their lives.
12. I promise as well that those who, moved by tactfulness to My pleasure, may give Me consolation receiving Me properly always in their tongues and never in their hands, will never find the doors closed for My love.
13. If they persist that way in order to please Me, taking the Communion in their tongue, I Promise they will reach only for My Heart, with My Heart, in My Heart, to My Divine Heart.

*Communion in the hand has not been and will not be accepted by Heaven.*

14. I promise as well those who will honour Me in this way, to be pleased and intensely listened by My Heart.
15. If in this matter so important for Me, they give Me the biggest pleasure, they will always be pleased, for My love, the fact of following My Divine Motions, and I will especially recreate them as a sign of My satisfaction in the fact of taking the Communion always directly in the tongue and never in their hands.
16. This matter will do a lot of good for the Souls. However, those who insist on just touching Me in their hands, they will harden in many things towards My will. And they will be darkened about My own liking, My own preaching and My own teaching.
17. Quite the opposite, those whose hands may shake and don't touch the consecrated form of Communion, may be especially prepared in their whole being and at the time of having Me through the Communion may ask to be only Me and nothing of them, I Promise the grace of shortly reaching to a very high Christian perfection. They will look for My face with greater love; they will forget about themselves easily; they will always have My Heart comforted and thanksgivings for this gesture; they will receive greater celestial lights and they will have greater joy from My Heart forever and ever.

#### **PROMISES TO THOSE WHO SPREAD THESE MESSAGES:**

1. I promise the gift of the knowledge of the hearts to those who spread these promises.
2. They will reach a sublime Glorious in Heaven.
3. They will have a long spiritual life , although not always materialist, but in a very few years, as if they had lived a lot of years of saintliness.
4. I will fulfill with big blessings to their family members.
5. I further more Promise, that the more they announce these Promises, the more I will pour upon them.
6. I will make it possible that they feel Me in an ineffable way, in a glowing height.
7. I will not let them undertake those ventures that are not to My liking.
8. I will put enough light in their way, so that with a very much help from

*Communion in the hand has not been and will not be accepted by Heaven.*

Me, they may avoid the wrongdoing and do not only the good, but what it is My liking.

9. I will even give them greater graces, countless ones, if they spread them fervently; consider being a very important omission not to spread MY OWN PROMISES.

**CARDINAL SARAH: THE HEAD OF THE VATICAN DEPARTMENT DEALING WITH LITURGY** has said The widespread practice of Catholics receiving communion in the hand while standing up is part of Satan's attack on the Church Communion in the hand part of 'diabolical attack' on Eucharist

Jesus suffers for the souls of the profaners, for whom he shed that Blood which they so miserably and cruelly despise. But Jesus suffers more when the extraordinary gift of his divine-human Eucharistic Presence cannot bring potential effects on the souls of believers. And then we understand how the most insidious diabolical attack consists in trying to extinguish faith in the Eucharist, sowing errors and favoring an unsuitable way of receiving it; indeed the war between Michael and his Angels on one side, and Lucifer on the other, continues in the hearts of the faithful: the target of Satan is the Sacrifice of the Mass and the real Presence of Jesus in the consecrated Host. This robbery attempt in turn follows two tracks: the first is the reduction of the concept of 'real presence'. Many theologians do not cease to mock or snub - despite the constant calls of the Magisterium - the term 'transubstantiation.

**ST. BRIGIT THE GREAT:** It is recorded in the life history of St. Brigit that during an apparition of our Lord that she was favored with, the Lord Jesus said the following to her "You see, my daughter, when I departed from earth, I entrusted that which is most dear to me to my priests whom I chose before all angels and people, and left them with five gifts

- i. My faith
- ii. The keys to heaven and hell
- iii. The power to make an angel out of an enemy of God.
- iv. The power to consecrate my most sacred bod; not even an angel is permitted to do this.
- v. The privilege to touch my most sacred body with their hands. But now they deal with me like Jews did then. They are worse than Judas; They are as disloyal as thieves, and traitors.

At the request of Our Lord, St. Brigit had to write to Pope Urban V (1362-1371) and Our Lord concluded "...For it is more pleasing to God that no Mass is said in some places than unworthy and unclean hands touch my most sacred body".

How much Our Lord loves His Priests can be judged by His words to St. Brigit "Listen, my angels and the armies of my Saints! I chose the priest before all angels and the just and gave them the authority to administer the Sacrament of My Body. I chose them to be my friends closer and more trusted than the prophets for not only do they hear my words but they are permitted to touch with hands what none of the prophets or an angel was ever allowed to do. If it had been my will, I could have chosen an angel for this office; but my love alone for my priests was so great that I decreed and conferred only upon them, I repeat only them, this distinction"

Why do we insist on communicating standing and on the hand? Why this attitude of lack of submission to the signs of God? May no priest dare to impose his authority on this question by refusing or mistreating those who wish to receive Communion on their knees and on their tongues: we come like children and humbly receive the Body of Christ on our knees and on our tongues. The saints lead us by example. They are the models to imitate that God offers us!

But how could the practice of receiving the Eucharist on the hand become so common? The answer is given to us, supported by a previously unpublished documentation, extraordinary in quality and size, by Don Bortoli. It was a far from clear process, a transition from what the Domini Memorial instruction granted to the way it is so widespread today. (...) Unfortunately, as for the Latin language, as for a liturgical reform that should have been homogeneous with the previous rites, a particular concession has become the pick to force and empty the safe of the liturgical treasures of the Church. The Lord leads the just by 'straight ways' (cf. Sap 10.10), not by subterfuge; therefore, in addition to the theological reasons shown above, the way in which the practice of Communion on the hand has spread seems to have imposed itself not according to the ways of God.

May this book encourage those priests and faithful who, also moved by the example of Benedict XVI - who in the last years of his pontificate wanted to distribute the Eucharist in the mouth and on his knees - wish to administer or receive the Eucharist in the latter way, much more suited to the Sacrament itself. I hope there will be a rediscovery and promotion of the beauty and pastoral value of this modality. In my opinion and judgment, this is an important question that the Church of today must reflect on. This is a further act of adoration and love that each of us can offer to Jesus Christ. I am very pleased to see so many young people who choose to receive our Lord so reverently on their knees and tongues. May Don Bortoli's work foster a general rethinking on how to distribute Holy Communion; as I said at the beginning of this preface, we have just celebrated the centenary of Fatima and are encouraged in anticipation of the sure triumph of the Immaculate Heart of Mary: then the truth about the liturgy will also triumph.

Pope John Paul II had twice condemned communion in the hand during his pontificate. It has never been a practice of the church and remains to this day a condemned heresy. How can people kneel before statues; yet remain standing and receive GOD in their hands? **The practice of receiving Communion in the hand was first started in Holland in 1969 against the wishes and mandate of the "Holy Father Pope Paul IV. This practice was introduced by the church's adversaries in order to take away from us the knowledge of Christ's divinity.**

**Little do Catholics know that Communion in the hand is being carried on today in violation of the ecclesiastical prohibition against it that has existed in the Church for centuries. We refer here to the Council of Rousen (650 A.D) where the Communion in the hand was formally condemned as sacrilegious some years after the heretical Arians had introduced this into the Church as a means of expressing their belief that Christ was not Divine.**

**THERESE NEUMANN, 1962 (STIGMATA)**

**The Consecrated Host flew out of the Tabernacle, through the length of the church, and landed in her mouth. Also, while blinded by blood emanating from her eyes while suffering Christ's Passion, she could tell that a layman had sneaked into her room dressed as a Priest, and she thereupon spoke up and sent him out of the room (which was off limits to all but Priests at that moment).**

**JULIA KIM OF NAJU, SOUTH KOREA**

**When receiving Communion on the tongue, the Host has turned into Fresh and Blood. This miracle started in June 1988, on the Feast of Corpus Christi, yet it has continued into the 90s to date and been witnessed by John Paul II in Rome.**

**Not only was Communion in the hand started in disobedience, it was perpetuated by deceit. Space doesn't allow all the details, but the propaganda in the 1970s that was used to sell Communion in the hand to a trusting, vulnerable people was a campaign of calculated half-truths that didn't tell the whole story.**

**The Catholic faith, is under attack, Right now, the summit of our Catholic faith, Our Lord Jesus Christ present in the Sacrament of Love, the Holy Eucharist, is under daily attack. The indult of Communion in the hand has opened a major door to numerous acts of irreverence and sacrilege.**

**"In a dry-cleaning establishment, we found the Consecrated Host**

*Communion in the hand has not been and will not be accepted by Heaven.*

**in a boy's trousers. The boy admitted receiving it in a round-about fashion, thanks to distribution of Communion in the hands....." (January 10/70, Witnesses: proprietor).**

*And to think that during the Mass This Lord of Hosts comes down from Heaven and encapsulates Himself as a Helpless Victim of Love in a tiny host, trusting that His representative (the Priest) will guard and protect His Majesty from any defilement. Therefore a Sacred trust is greatly violated when the Clergy hand Jesus Christ over to the world to be carried away and mocked, so that He is sometimes even found crumbled under the pews, or in the Holy water fonts.*

*Thanks to the Communion in the hand, the Satanist are now given access to come into the Church and take the Host, so that they bring it back to their covens where it is abused and mocked in the ritualistic Black Mass to Satan. This and much more are the horrid fruits of disobedience – the fruits of casting aside apostolic tradition and adopting the facts of the modern world.*

**Confirming his concerns is Mike Warnke, a former satanic high priest who converted to Christianity, who warned the U.S. Bishops that allowing Communion in the hand was a mistake, as it allowed Satanists easier access in procuring the Sacred Host, which is desecrated at satanic services.**

**Sadly, Holy Communion in the hand invariably leads to fragments of the Sacred Host being dropped down to the floor so that Our Lord is trodden under foot.**

**Priests, who would discourage Communion in the hand, build God's Kingdom!**

**Communion in the hand is a grave error!!!!**

**"Whatever you can do to stop Communion in the hand will be blessed by God" Fr. John Hardon.**

## MESSAGE FROM THE MOTHER OF GOD

"This debasement to My Son's Body shall not go unpunished!" (Our Lady of the Roses, August 21, 1975)

**Heaven has given us so many wonderful graces through the message of Our Lady of the Roses. We have been blessed with much practical guidance so desperately needed in our confused and troubled times. Particularly important is Heaven's directions concerning the abusive and sacrilegious practice of Communion in the hand. Our Lady has said: "You must not take the Body of My Son in your hand! You open the door for the entrance of evil spirits to defile My Son's Body! The Consecrated fingers of a duly-ordained man of God, the Priest, shall place My Son into your mouth, and you must absorb His Body with goodness and love." (March 22, 1975) Also, Our Lady said in 1984, "My Son is not pleased with the manner in which His Body and Blood is being given to all of the humans upon earth. Communion in the hand has not been, and will not be accepted by Heaven. This is a sacrilege in the eyes of the Eternal Father, and must not be continued, for you only add to your punishment when you continue on in the ways that have been found to be displeasing to the Eternal Father, a (Our Lady, June 30, 1984)**

### **A. REAL PRESENCE**

You violate your Sacred trust. You have taken the Body of your Creator, the Son of your God in the Trinity, and violated Him. You must do your eating at home! When you come to the great Sacrifice, the Holy Sacrifice of the Mass, you come in reverence. You must go down upon your knees and do penance now for the offenses to your God! "M in the past, cannot you recognize the mystery of Heaven and earth? Did not the staff of Moses turn into a serpent in the will of God? Did not the river in Egypt turn into blood in the will of God? And cannot God, in His will, come to you changing the bread and wine into the actual Presence, the real Presence, the factual Presence of His Body and Bloody - *St. Michael, February 1, 1977*

### **B. GOODNESS AND LOVE**

"You must not take the Body of My Son in your hand! You open the door

for the entrance of evil spirits to defile My Son's Body! The Consecrated fingers of a duly ordained man of God, the Priest, shall place My Son into your mouth, and you must absorb (NOT CHEW) His Body with goodness and love." - *Our Lady, March 22, 1975*

### **C. SACRILEGE**

My Son e rot pleased vain the manner in which Its Body and Wood is berg given to all of the humans upon earth.

"Communion in the hand has not been, and will not be accepted by Heaven. This is a Sacrilege in the eyes of the Eternal Father, and must not be continued, for you only add to your punishment when you continue on in the ways that have been bound to be displeasing to the Eternal Father .

### **D. SINISTER PLAN**

"I ask you. My children-you ask Me many times in your prayers, shall you accept My Son's Body in your hands? I say no! And no again for reason!

"You cannot image all those about you. My children. who have accepted the diabolical practice under the guise of leadership No. My children, this was brought about to desecrate My Son, to take from Him the truth of His divine nature. No one who hears My voice meal accept My Son's Body and Blood in the hands! The chalice shall turn, and you shall be bathed in His Blood!

"It was, My children plan a sinister plan from the depths of hell to remove the knowledge of the divinity of My Son from ,among you." - *Our Lady, February 10, 1918*

### **E. DELUDED**

Again and again t minder to and fro directing My children to remain close to the Eucharist, the Dread of life Hut do not become misguided: Do not accept My Son's Body in your hands. "Satan, Lucifer, came as an angel of tight and set his agents among the hierarchy of My Son's Church and deluded them. All manner of abominations are being committed upon My Son's Body now." - *Our Lady, July 15, 1978*

## **F. BLASPHEMY**

Many are giving My Body in a manner that can only be called blasphemy. Many are accepting My Body in the Eucharist in a manner that defames the Divinity, and also promotes unholiness, paganism, and impurity of heart and actions during the Holy Sacrifice of the Mass." - Jesus, May 26, 1979

## **G. DESECRATION**

My child, you ask why I cry? I shed tears of great anguish. I watch anew the desecration to My Son's Body being committed upon earth. None shall place their hands upon His Body! "My Son has given you in trust those He has chosen among mankind to represent Him-your Priests. None others shall carry My Son to mankind! You shall not defile His Body by giving Him into the hands of women, or those that have not been prepared by the Father as legally-ordained Priests in the houses of God-laziness, preoccupied with the world and the pleasures of the flesh!" - Our Lady, November 1, 1974

**For every Communion in the hand you see, there you will see more terrorism, more wars, more natural disasters man made and God sent, more plagues, more punishments. Take the Most Holy Eucharist from a Priest only, on the tongue only.**

**DO NOT Take Communion from a lay distributor or a married deacon.**

## **14. GOD'S LAW**

There are those who will object that confronting this widespread abuse of Communion in the hand is disloyal to the Church. Nothing could be farther from the truth. It is not disloyal to say that in practice the majority of Catholics are in disobedience to the existing law of the Church regarding reverence towards the Blessed Sacrament and the prevention of potential sacrilege. It is the law of the Latin Rite that we receive in the traditional manner, i.e., Communion on the tongue. Communion in the hand is the exception, that cannot be done if (1) there is potential loss of particles; (2) it is instituted in exclusion of the traditional manner of

*Communion in the hand has not been and will not be accepted by Heaven.*

reception; or (3) there is the danger of scandal and loss of true faith in the Blessed Sacrament as a result. So it is disingenuous to complain that such a discussion is disloyal. This article is meant to foster thoughtful, prayerful reflection, and to illustrate the contradiction between Church law and common practice.

The dangers that arise with Communion in the hand are real, serious, and avoidable.

## **SAINT POPE JOHN PAUL II**

**By taking Communion in your hand, you could be an unwitting participant in someone's diabolical scheme to perpetuate the desecration of the Body of Christ. Receiving Communion on the tongue is the traditional, universal and more reverent way. THE END.**

## **TOUCHING SACRED HOLY OBJECTS BRINGS INSTANT PUNISHMENT!**

**"Those who have grace will not receive Holy Communion in the hand. Those who don't have grace will receive in the hand and be instantly demned"... Our Lady, August 2014**

**In the Eucharist we have something much greater than the Ark. In the Eucharist we have something greater than the sacred vessels. Pope St. Sixtus I (116 —126) said, it is prohibited for the faithful to even touch the sacred vessels or receive in the hand".**

## **Pope John Paul II said on 1<sup>st</sup> March 1998 in Castelgandolfo**

**"Communion in the hand is forbidden"**

**Mother Theresa said in an interview with a Priest sometime before her death, "The two greatest sins that cry to heaven are abortion and communion in the hand"**

**Jesus said to St. Gertrude, "Communion in the hand brings instant death to the soul. It is the sacrilege of all sacrileges.**

**So why are churchmen forcing this sacrilege on the lay faithful? Let's see Ezekiel 34:1-2, 7-10.**

*Communion in the hand has not been and will not be accepted by Heaven.*

*"The LORD spoke to me. 'Modal man,' he said, denounce the rulers of Israel. Prophecy to them, and tell them what I, the Sovereign LORD, say to them: You are doomed, you shepherds of Israel! You take care of yourselves, but never tend the sheep. '*

*"Now, you shepherds, listen to what I, the LORD, am telling you. As surely as I am the living Cod, you had better listen to me. My sheep have been attacked by wild animals that killed and ate them because there was no shepherd. My shepherds did not try to find the sheep. They were taking care of themselves and not the sheep. So listen to me, you shepherds. **I, the Sovereign LORD, declare that I am your enemy. I will take my sheep away from you and never again let you be their shepherds; never again will I let you take care only of yourselves. I will rescue my sheep from you and not let you eat them.**'*  
*Also see 2 Thessalonians 2: 3-4:*

***"...Do not let anyone find the means of leading you astray. The apostasy (loss of faith) must come first; the champion of wickedness must appear first, destined to inherit perdition. He will oppose every so-called god or object of worship and will put himself above them all. He will even go in and sit down in Cod's Temple and claim to be God.***

*2 Thessalonians 2: 16 urges us:*

***Stand firm, then, brethren, and hold by the traditions you have learned, in word or in writing, from us".***

**1 Timothy 4:1-2 warns of this apostasy:**

**The Spirit says dearly that some people will abandon the faith in the latter times; they will obey lying spirits and follow the teachings of demons. Such teachings are spread by deceitful liars, whose consciences are dead, as if burnt with a hot iron".**

**On July 18 1978 Our Lady said, "Remain close to tho Eucharist, the Bread of Life. But do not become misguided. Do not accept My Son's Body in your hands. Satan, Lucifer, came as an angel of light and set his agents among the hierarchy of My Son's church and deluded them. All manner of abominations are being committed upon my Son's Body now".**

*Communion in the hand has not been and will not be accepted by Heaven.*

## **CONSEQUENCES OF COMMUNION IN THE HAND TO THE INDIVIDUAL.**

**Some might say “I am obeying the church therefore I receive in the hand’** St. Thomas Aquinas disagrees, **“Sometimes** *the things commanded by a superior are against God, therefore superiors are not to be obeyed in all things* - (Summa Theologies Part III, Q. 82, Art. 3, Rep. Obj. 8.)

**He says further that,** *“Out of reverence for this Sacrament (the holy Eucharist), nothing touches It but what is Consecrated”*

**Obedience to God comes first... Acts 5:29,** *“Peter and the other apostles replied: “We must obey God rather than human being?”.* **Thus the Bible said, Obedience in all things but sin. Communion in the hand is a grave sin. Therefore: First, you are not obeying the church. You are obeying a group of human beings who are disobeying the long-held traditions of the church. Confer 2 Timothy 2:15 ... Stand firm, then, brethren, and hold by the traditions you have learned, in word or in writing, from us”. You obey leaders of the Church if only they obey God. Church law says anybody in the hierarchy of the Church who disobeys or passes a law which disobeys the traditions of the church must not be obeyed. Thus St. Paul warned in Galatians 1: 8-9,** *“But even if we or an angel from heaven should preach a gospel other than the one we preached to you, let them be under God's curse! As we have already said, so now I say again: If anybody is preaching to you a gospel other than what you accepted, let them be under God's curse!”*

**St. Augustine, a doctor of the church said communion in the hand is a mortal sin - a mortal sin is a mortal sin; yesterday, today and forever. 2014 does not change a mortal sin.**

**The Council of Rouen (650): “Do not put the Eucharist in the hands of any layman or laywoman but only in their mouths”.**

**Pope St. Sergius III excommunicated anyone who received communion in the hand. Jesus said communion in the hand brings instant death**

*Communion in the hand has not been and will not be accepted by Heaven.*

**to the soul. So immediately you receive communion in the hand, your soul is dead, whether you feel it or not. You are automatically excommunicated i.e. you are cut off instantly from the body of Christ. If you die like that, the worse part of hell is reserved for you.**

**If you say you are obeying anyone who leads you to error, don't forget all of us, including Bishops and Priests are fighting for salvation. Thus St. John Chrysostom said, "The road to Hell is paved with the bones of priests and monks, and the skulls of bishops are the lamp posts that light the paths."**

*Jesus revealed to a privileged soul in 2002, that 90% of priest who have died since the 18<sup>th</sup> century have been going to hell (because of desecration of the Eucharist and impunity)*

**THE DIRECT CONSEQUENCES OF COMMUNION IN THE HAND TO YOU WHO TAKE IT**

**Immediately you start this practice - communion in the hand - your fortunes will dwindle. Your source of income will dry up. Strife and disease will enter your family. Your life will change for the worse! Mark this! Tragedies will begin to happen in your home. There will also be one terrible curse in your family which origin you will not understand.**

**This is the consequence of your participating in a sacrilege that is an abomination on to God. Your Priest who has deceived you and forced you into this act will not be there to help you. He, himself will be facing his own sufferings!**

*"Communion in the hand has not been, and will not be accepted by Heaven. This is a sacrilege in the eyes of the Eternal Father, and must not be continued, for you only add to your punishment when you continue on the ways that have been found to be displeasing to the Eternal Father? - Our Lady, June 30, 1984*

**We are aware of two Eucharistic ministers, who, despite repeated**

**warnings, refused to stop distributing communion. Both of them died of stroke, and the paralysis started from their right hands.**

## **CONSEQUENCES OF COMMUNION IN THE HAND FOR THE CATHOLIC CHURCH**

- 1) According to St. Theresa of Avila, a doctor of the church, one of the consequences of the desecration of the Eucharist is loss of faith. Therefore millions of Catholics will lose their faith and leave the church.**
- 2) Bishops and Priests will fall ill anyhow and pick up incurable diseases.**
- 3) Bishops and Priests will see the horrible consequences of their actions \_ communion in the hand... many of their hands will wither away.**
- 4) Priests will be attacked and killed anyhow by thieves and armed robbers.**
- 5) The Catholics church will be no better than a shell. There will be little faith left.**
- 6) Vocations to the Priesthood will dry up; many young people will enter the priesthood for monetary gains.**
- 7) The remnant group will be greatly persecuted.**
- 8) Many Rev. Sisters will become women of easy virtue. Convents will be invaded and nuns raped anyhow.**
- 9) Bishops and Priests will lose the moral authority to lead the laity.**
- 10) Bishops and Priests will lose their respect among the faithful - the faithful will no longer have respect for them, as it is already in countries where communion in the hand is practiced.**
- 11) In some parishes abroad, priests actually hire people to respond at Mass because of non-attendance.**
- 12) Lay faithful will rise and openly revolt against Bishops and Priests.**

**Now for those who are serious with their salvation:**

- 1. Never receive communion in the hand. Receive communion kneeling, on the tongue**
- 2. Discourage anyone you know from receiving communion in the hand — because as the Catechism says, one of the nine ways you participate in another person's sin is to see the sin being committed and do nothing about it. Remember the admonishing of St. Paul to Titus in chapter 1:13,  
*"Therefore rebuke them sharply, so that they will be sound in the faith".***
- 3. If you have ever received communion in the hand, go to a holy Priest — preferably a traditional priest for a heartfelt thorough confession — confessing the number of times you have committed this sacrilege.**
- 4. If you attend a Mass where communion is given in the hand, pray some prayers of reparation, then stay in your seat and do spiritual communion thus:**

**"I WISH MY LORD TO RECEIVE YOU WITH THE PURITY, HUMILITY AND DEVOTION WITH WHICH YOUR MOST HOLY MOTHER RECEIVED - YOU, WITH THE SPIRIT AND FERVOR OF THE SAINTS.**

**JESUS, IT'S FOR THE LOVE OF YOU AND IN REPARATION FOR THE SACRILEGES COMMITTED AGAINST YOU IN THE HOLY EUCHARIST. AMEN"**

**Jesus promises to come and fill you himself.**

**Fight for your faith or kill your soul because of false obedience and fear.**

*Communion in the hand has not been and will not be accepted by Heaven.*

overcome all kind of temptations easily.

11. Those who may receive Me in their tongue and not in the hands, will never separate their souls from Me, as long as they persevere in proper reverence and live this way every single day of their lives.
12. I promise as well that those who, moved by tactfulness to My pleasure, may give Me consolation receiving Me properly always in their tongues and never in their hands, will never find the doors closed for My love.
13. If they persist that way in order to please Me, taking the Communion in their tongue, I Promise they will reach only for My Heart, with My Heart, in My Heart, to My Divine Heart.
14. I promise as well those who will honour Me in this way, to be pleased and intensely listened by My Heart.
15. If in this matter so important for Me, they give Me the biggest pleasure, they will always be pleased, for My love, the fact of following My Divine Motions, and I will especially recreate them as a sign of My satisfaction in the fact of taking the Communion always directly in the tongue and never in their hands.
16. This matter will do a lot of good for the Souls. However, those who insist on just touching Me in their hands, they will harden in many things towards My will. And they will be darkened about My own liking, My own preaching and My own teaching.
